

Wish - Shopping Made Fun

The Wish logo is displayed in white lowercase letters on a bright green square background.

What Wish - Shopping Made Fun Does

The Wish Shopping for iOS app is a shopping application that connects you with rock-bottom prices on all kinds of items so you can order super-cheap goods online. How cheap? Well, clothes for just \$1.00 are not out of the question when you are shopping on Wish. Most of these items are sold and shipped from China, but there are also U.S.-based sellers. On Wish Shopping for iOS, you can purchase clothes, gadgets, electronics and even zany gag items like fake gold bars, all available for pennies on the dollar. Over 300 million users are connected to low prices on all kinds of items through Wish Shopping, which lets you save on major brands at an affordable price by cutting out the middleman and connecting consumers directly with manufacturers. Save up to 90% with the Wish Shopping for iOS app.

Key Functions of the App "Wish - Shopping Made Fun"

With the Wish Shopping for iOS app, there are a number of unique features that make this virtual shopping experience different from most, starting with the "Spin Blitz Buy" feature, that allows users to play a game that provides access to special discounts on these already low priced items. "Earn Rewards" on purchases and apply those rewards to future purchases. Read or create "Customer Reviews" and "Ratings" to mark your favorite items and see what others like. You can also create a "Wish List" to save your favorite items for future purchases. ## Review of Wish - Shopping Made Fun

Wish Shopping for iOS is a unique concept for a shopping app and provides a fun, simple experience at a very low price point. For those who enjoy bargain hunting, the Wish Shopping app is a great way to enjoy that hobby virtually. The app functions well, generally speaking, although some users report their phones tend to be a little bit glitchy with this app. Overall, Wish Shopping for iOS is so low-priced with such a huge inventory of items that it's worth it to at least give it a try.

Advantages / Disadvantages

Positive aspects of the Wish Shopping for iOS app: Incredible prices on thousands of fun items makes it easy to buy without regret. If you do have a problem with your purchase, Wish Shopping for iOS also offers free returns, so you can purchase without worrying about whether you will be stuck with that brand new jacket if you don't end up loving it. If you are a frequent Wish Shopping user, you can even earn loyalty points for your purchases to make your future shopping trips even more affordable.

Negative aspects of the Wish Shopping for iOS app: Because many of the items that are sold via Wish Shopping app come from China, there are often weeks-long wait times to receive these items due to slow shipping speeds. The quality of these items is often relatively low, as well. Finally, users report that this app can sometimes lag and glitch a little bit on some phones.
